NEVER HAVE I EVER

YOU KNOW THE DRILL, GO THROUGH THE LIST AND FIND OUT
WHO THE ROGUE IS IN YOUR FRIEND GROUP;

Sent a text to the wrong person

Eaten an entire pizza by myself (don't judge)

Done a number one in the shower

**Flirted with a bartender to get a free drink
(there's still time if you haven't, we've got some
lovely specimens behind our bar)**

Used someone else's ID to get into a bar or club

Drunk texted an ex then regretted it in the morning

Accidentally waved at someone who wasn't actually waving at you

**Used the 'I'm just staying for one drink' line
and then ended up out, out!**

Been kicked out of a bar

Dropped my phone down the toilet

Cling filmed a dining surface prior to a meal to avoid washing up

Blamed toxic traits on Mercury being in retrograde

Used Chat GPT to write a series of Never Have I Ever
questions for our cocktail menu.
